Dear Professional Collaborator.

After some difficult years from 2018 to 2020, things are getting back to normal. We were very happy to be back in the beautiful surroundings in Vingsted for a memorable Danish Orthopedic Society (DOS) congress in November 2022. The number of participants was higher than expected and on the same level as the most successful congresses in the past. We got very positive feedback from our members and the congress was a great success.

The industrial exhibition is a very important part of the congress. It offers a unique opportunity to maintain and develop our professional relation, and your presence and contribution to the congress is highly appreciated. In this perspective, we are pleased to welcome you all again at the **Scandic Falconer Hotel, Copenhagen** for the DOS congress from **15-17 November 2023**.

The costs of hosting the DOS congress 2023 have increased compared with the congress in 2021 at the same venue. We have however tried to keep the prices on nearly the same level as in 2021 and 2022 not only for professional collaborators, but also members and congress guests.

We would like to highlight the advantages of sponsorship, and we would thus recommend that you consider a sponsorship when signing up for the congress.

Please find detailed information on our website: <https://www.ortopaedi.dk/register-2023/>

Please note that deadline for early bird sign up is approaching:

Early bird deadline:

15 July 2023

We hope to see all our well-known traditional collaborators and would like also to invite new companies with interesting products and services to present their portfolio to our members and congress guests. Please contact us for further information. We look forward to welcoming you all and our members to the 2023 DOS Congress.

Sincerely

Jeppe Vejlgård Rasmussen
Treasurer

Torben Bæk Hansen
Past President
