Hotel Comwell Kolding, Skovbrynet 1, 6000 Kolding

Sponsor and Exhibition Invitation

Dear Professional Collaborator.

The industrial exhibition is a very important part of the DOS congress. It offers a unique opportunity to maintain and develop our professional relation, and your presence and contribution to the congress is highly appreciated. In this perspective, we are pleased to welcome you all at the **Hotel Comwell Kolding** for the DOS congress from **13.-15. November 2024**.

For 2024, Danish Orthopedic Society have chosen to arrange the congress at a new location and with a new concept, which we hope will be well received. The exhibition will be placed in the hallway covering most of the ground floor. We are aware that some areas of the exhibition can be more attractive than others, but they all have advantages - some are close to the scientific sessions while others are close to lunch- and coffee servings.

It will not be possible to purchase sponsorships this year. It will only be possible to order the desired square meters. Advertisements, lunch symposia etc. can still be purchased, but not as a part of a comprehensive package deal. As a new feature, the exhibition area is divided into different price categories. We have endeavored to keep the cost level down for both member and exhibitor registration fees. Floor space rental and exhibitor registration are on the same level or lower than the DOS congress 2023.

Please find detailed information on our website: <https://www.ortopaedi.dk/register-2024/>
Please note that deadline for early bird sign up is approaching:

Please contact us for further information. We look forward to welcoming you all and our members to the 2024 DOS Congress.

We would like to take this opportunity to announce that the Danish Orthopedic Society has the pleasure of hosting the Nordic Orthopedic Federation in 2026, where Tivoli Hotel and Congress Center in Copenhagen will provide the venue for the Nordic Congress. The congress will be held concurrently with the DOS congress week 46. Don't hesitate to contact if you have any question:
